Eleven Michaelmen Named To Who's Who

NOMINATED BY DUPONT, DURICK, D'AGOSTINO, MORIARTY, GARRETT

Eleven seniors will represent St. Michael's College in Who's Who in American Universities and Colleges this year. The following were chosen: Billups, Delaney, Denault, Evatt, Hoffman, Jones, Lynch, McMahon, Mountain, Preziosi, and Provost.

The eleven Michaelmen were nominated by a committee made up of: Rev. Gerald Dupont, Academic Dean; Rev. Lorenzo D'Agostino, Dean of Men; Rev. Francis Moriarty, Alumni Secretary; Thomas Garrett, Registrar; and Dr. Jeremiah Durick, Professor of English.

Pittsfield, Mass., is well represented in the new Who's Who with three nominees, Joseph Hoffman, Joseph Mountain and Frederick Jones.

Nomination for Who's Who in American Universities and Colleges is based on student's scholarship, leadership and cooperation in educational and extracurricular activities, general citizenship, and promise of future usefulness. Only seniors are eligible for nomination and they must have an 80 per cent average.

600 AMERICAN SCHOOLS

Each year 600 American schools are represented in this organization. One member is nominated for every 100 students in a college.

Robert R. Billups, of Winooski, Vt., was class president in his frosh year, treasurer of the Junior Class and Lance business manager.

Donald W. Delaney, majoring in pre-Med, of Cadyville, N.Y., is vice-president of the Senior Class and an honor student at St. Michael's. He has been active in NFCCS.

Leo J. Denault, West Springfield, Mass., played varsity baseball and hockey and main-

New Official Seal Adopted By College

Dom Bayne Draws St. Michael's Seal

A new official seal and coat of arms, designed by the noted Benedictine artist, Dom William W. Bayne of Portsmouth Priory, Portsmouth, R.I., has been adopted by St. Michael's College.

The beautiful new seal which includes the coat of arms replaces the official seal which bore the name and location of St. Michael's in Latin, and carried a picture of St. Michael' brandishing a spear. It also replaces the unofficial seal which was done for The Michaelman by its staff artist, Art Fraser, and later used in the Science Hall literature.

Dom Bayne is one of the few men in this country to have made a thorough study of heraldry and to have put his knowledge to practical use.

He has designed the coat of arms of many institutions and sees in the United States. The arms of the Most Reverend Edward F. Ryan, Bishop of Burlington, and our neighbor in the Ogdensburg diocese, Most Reverend Bishop Bryan McEntegart, were designed by him.

Dom Bayne undertook the task of designing the coat of arms and the seal of the college last April. In his first letter he stated: "A coat of arms is happiest when simple, and symbols are generally preferable to naturalistic figures."

He drew from his source of

D of I Scholarships To Two Michaelmen

Two St. Michael's College sophomores have been awarded Daughters of Isabella Scholarships. Wendell Searles and Paul Boucher, both from Vermont maintained a general average of over 90 per cent.

Searles, from Alburg, and Boucher, from Swanton, are studying for the priesthood and maintained averages of 95 and 90 per cent respectively.

The Daughters of Isabella Scholarships are valued at $175 and are awarded each year to two Michaelmen studying for the priesthood.

Purple Debate Club In UVM Tournament

The Newman Debating Society is taking part in the third Annual Invitational Debating Tournament at the University of Vermont this weekend. Thirty other colleges will take part.

The purpose of the tournament is to give a training in debate. No tournament winner is declared, only a list of the wins and losses of each team is published.

The Newman Debaters have been busy preparing for the tournament. Last Friday afternoon a practice debate was held with

Campus State Clubs Plan For Christmas Dances

With the Christmas holidays approaching rapidly, plans are being shaped by Alumni chapters and state clubs for the annual big doings at home. Every year, during vacation, alumni and present Michaelmen have a get together with a dance or dinner-dance.

These functions have always proved enjoyably successful, and are becoming more popular each year. The state clubs work in cooperation with their Alumni chapters back home.

Thus far, only the Connecticut club has had a meeting and initiated plans for their second annual affair. Last year a well attended dance at the Hotel Bond in Hartford proved immensely successful, so successful they actually made money on their first affair.

This year another semi-formal dance will be held at the Bond, with tickets at around three dollars. Having no organized alumni at home, the Connecticut club handles all details themselves.

SPRINGFIELD

Word from the active Springfield alumni indicates their plans are about set. It will be a dinner-dance, at six dollars per couple, at the Hotel Kimball on Dec. 30th. Music by a 12 piece orchestra no less.

Greater New Yorkers are in for a treat (for $5), with a late afternoon-evening dance at the Hotel Sheraton. These gatherings between alumni and students in the big city have always been popular.

BOSTON

Greater Boston, which boasts one of the biggest alumni groups, has come up with another promising looking program. The Hotel Puritan is the spot where Michaelmen, past and present, will gather for a semi-formal dinner-dance, on Dec. 27th. With so many fellows here from the Boston area the turnout at this affair should be terrific.

The Berkshire Club on campus (Pittsfield, North Adams, etc.) had its meeting on November 18th. Plans for their affair were made at that time.

Students from the Albany area will be interested to know that their alumni chapter had its meeting back home this past week, so word from them will be received soon.

The state clubs will probably hold several meetings before the Xmas recess, so keep an eye open for the dates of your particular club's meetings.

Fr. Lyons Honored Tues. At Banquet Celebration

Tuesday, November 16, classes were suspended and the many and varied activities of both students and profs were laid aside to honor Saint Edmund of Canterbury and to pay respect to Very Rev. Daniel P. Lyons, President of the College.

A full day's program was outlined beginning with a Solemn High Mass in the morning, celebrated by Father Lyons, and closing with Solemn Benediction and prayers to Saint Edmund that evening.

The day, as a whole, was dedicated to that great Saint whose virtue and courage have served as models for the priests of the society bearing his name. He has given them the example of Christian faith, charity and hope which they have exhibited in past difficulties, and which has enabled them to grow and develop from a small but courageous band of exiled priests, to their present strength as a strong, vibrant member, one of the Church's great missionary societies.

Therefore, it was altogether fitting that at 9:00 the students, lay faculty, and priests assembled in Austin Hall for the Solemn High Mass celebrated in honor of the great Saint.

Frosh Skit Nite Success, Pleases Many Michaelmen

Frosh Skit Nite proved a big success to the many Michaelmen who attended. Above is one of the many skits.

Celebrate 19-0 Win Saturday Evening

Celebrating the 19-0 victory over Norwich, Michaelmen and their dates were at the Jamboree Victory Dance in Austin Hall last Saturday evening. The UVM Catamounts highlighted the gala affair with an excellent vocalist.

Co-captains Clem Ferris and Jack Daly featured the festivities of the evening mentioning the part each player played in the seven game schedule for the Purple Knights. A round of applause greated each player's name.

The "Doc" thanked everyone for their loyal support of the Purple and Gold throughout the season.

The Jamboree Victory Dance was one of the best of the young social season at St. Michael's.

EDITORIALS

Double

This week's edition of *The Michaelman* carries a special four page insert of particular interest to the Alumni. Yet all eight pages are of interest to all Michaelmen, past, present and future, students or alumni.

The Michaelman, in cooperation with the Alumni office, presents this monthly news supplement for a double purpose.

First: It enables the student body to read of the achievements of our alumni, so that they may know that there is an active group who have already received the benefits of a St. Michael's education and have put it to good use.

Second: It enables the alumni to read not only the news of their former fellow students, but also about the present student body who, in God's good time, will become active alumni as well.

Just as a mother makes no distinction among her sons even when some have married and left her home, so Alma Mater makes no distinction. All are her sons. All should be equally interested in her and in their younger and older brothers.

For this reason, we especially urge the alumni to read *The Michaelman* from cover to cover. If the news, especially on the first two and last two pages, rekindles a spark and a desire to know more about St. Michael's, subscriptions to the weekly edition are available.

A check or money order or two dollar bills will bring *The Michaelman* to you weekly for the rest of the year.

We especially urge the student body to read the Alumni section carefully. Our Alumni are a valuable vanguard for you as you face life's battles. They are constantly bringing greater glory to the name of St. Michael's. You will want to know these men. They are your brothers.

Duty

The athletic resurgence at St. Michael's is no accident. The administration, made up of men who have themselves in student days worn the Purple on the playing field, has established a well-rounded policy that, under the direction of "Doc" Jacobs should give the students and alumni plenty of chance to cheer.

Just as "Doc's" football team was transformed from a group that didn't win a game last year into an outfit that won five of seven games this year, and allowed the opposition only 15 points, so we expect much of the famed Bennie Borgmann and the basketball team.

The Public Relations office is sending out news regularly to the sports editors and commentators in your area.

Supplement this coverage by talking up St. Michael's. If your paper or station doesn't carry scores or stories of our games, let them know there are people interested in St. Michael's. If they're not getting the material, let us know. We can fix that.

Way Back When

St. Edmund's Day, 1921 the day was started with Mass and Holy Communion by the entire student body. The choir sang for the special Mass and Fr. James Hamel, SSE, was violinist.

At noon 125 students (the student body) sat down to a fine banquet in the dining hall (the dining hall was where the Public Relations Office is now.) The college orchestra played during the meal.

CONGRATULATIONS

Congratulations to our Business Manager Al LaFrance on his recent engagement to Carol Carlin of Trinity College. They plan a December wedding.

SENIOR BALL SET

The prudential seniors have again chosen the forty-niner motif for their annual dance to be held in Austin Hall, December 11.

The upper classmen will well remember the gala setting supplied by the huge stage coaches, ox carts, burro and prospectors that adorned the gymnasium walls bringing us back to the hey-day of the Gold Rush days.

"Two gun" Edward Lynch, chairman of the dance committee, reflected that it would be a rare opportunity for the new students to join in the merriment that was so well received a few years ago.

QUESTION:
If you were a wealthy alumnus, what would you do first for St. Michael's???

BRAD RICKETSON
WEST HARTFORD, CONN.

I would grant an endowment for the construction of a permanent dormitory named Alumni Hall.

DICK CARPINO PITTSFIELD, MASS.

I would help promote the establishment of a large auditorium for plays, dances and other social functions in college life. Although it isn't urgent, it would be a necessary contribution.

JOHN AUBRY BELLE HARBOR, L.I.

One of the pleasures of this life is music and a contribution in the form of a record library I deem necessary, as it would be both educational and recreational.

MAURICE BESHLIAN
BROOKLYN, N.Y.

So that all students would have a chance to participate in sports of their liking, I would donate athletic equipment for this purpose.

BILL

BILL COFRANCES
NEW HAVEN, CONN.

Although at present I'm not wealthy, I would not wait till I graduated but would begin immediately to form a school band and in later years when I have become a successful alumnus, continue my work by donating musical instruments for the students' use.

TOM BRYANT MARLBORO, MASS.

Assuming I was very wealthy in the Rockefeller sense of the word, I would construct a chapel as a gift for the religious services offered to me here during my college days.

JOHN SCIARRINO LAWRENCE, MASS.

I would build two three-storied dormitories, the ground floor for recreational activities and the upper floors with sleeping quarters and study halls.

MIKE NARDI
SOUTH HADLEY FALLS, MASS.

In connection with the present sports program, the building of a large field house for all athletic activities would be of great value.

JACK O'BRIEN LONG ISLAND CITY

I would donate for placement in an auditorium or memorial building a trophy shelf for the past, present and future trophies to be awarded to St. Michael's College.

CLIFF DOUGHLY HAVERHILL, MASS.

I would really have to be rich to make this contribution, but some day I would like to see an impressive memorial stadium standing behind St. Pat's hall.

BOB HAYWARD
WEST HARTFORD, CONN.

A vital necessity of every college is its campus. I would contribute to the improvement of the landscaping problem and make it praiseworthy and appealing.

Campus Static

The first thing we have to mention this week in the line of gossip on the campus is the fact that most of the boys in St. Patrick's Hall are going to be bachelors if they don't watch out. Also there seems to be a number of good prospects for the Golden Gloves on the football team. What is the matter with all you musicians here at S.M.C.? ---------- There is a great demand for an orchestra and college band but little is being done to organize them.

Has anyone seen Red Dobbyn testing batteries lately? .... Pete Plourde is looking for a tutor .... in cards. What do you say "Moose?" .... It's out of this world .... "Walt Coon and Philosophy." .... Tom Sheehan and Frank MacLaughlin turning house maids .... haven't seen any aprons though .... Tex Conway is our latest football predictioner .... Hank Mat says he may go out a lot but his heart isn't in it.

.... Bill Condon and Jack Reed are still receiving follow-up mail on "Hair Restorer" they sent for last year .... John Gallant gets his pale pink underthings done every Saturday night at the D.S.C. .... Dick Dacey is the new math Prof. at City Hall Grill. Classes Saturday night only .... We are looking for a Frosh Reporter for *The Mike* .... If interested see us in Rm. 108, St. Pat's .... Don Rainville was giving English lessons in Canada last week-end .... Ask Don Hamlin who the fellow was that passed the hat to pay three fares back from Rutland on a Greyhound bus .... Why is Bill Cook singing the Fanny Allen Blues to the tune of Jeannie with the light brown hair? .... Ronnie Grifford is just about ready to sign on the *dotted* line .... *The Three Musketeers:* Bondreau, Smith and Kantrinka. Tommie Walsh certainly receives his share of packages and letters from Pat .... Our best to the new Frosh President, Tom Shields and to Omer Contois, Junior President .... Bill Piscione might coach and train Hinckley from UVM for the Golden Gloves Tournament in Burlington .... Why the Deluxe Canteen Service Truck parked behind the college farm house .... Jerry Agel writing to some Senorita at Radio Station "Joy" .... Lover Gentile was really stumped last Friday night at the Alamo ....

Bob "one man dance committee" O'Brien has an explanation to make to the Mikemen who attended last Saturday's victory dance.

According to Bob, the Catamounts, a six piece organization, were scheduled to play but at dance time the group's manager was only able to produce three pieces and a vocalist.

Bob admitted being disappointed at the failure of the group to live up to its agreement but added that he thought that the fine work of the vocalist helped to make the evening a success, and the full band will be back later.

Shamrocks and Shillelaghs

Shamrocks to the Football Team on their successful season. Shamrocks to Ken Hanlon for his untiring efforts as Manager of the team. To the Michaelmen that waited for Norwich to arrive last Friday night. To the Frosh on their Skit Night.

Shillelaghs to some student manners in the dining hall. Shillelaghs to the students that failed to vote for class officers.

Shillelaghs to the guy who broke the light globe in Aquinas Hall 214 ....

Shillelaghs to the inactive clubs on campus.

PREDICTIONS

We predict an unbeaten season for the Hockey Team. How can they miss with the conditioning system of Coach Bill Piscione? Three members of last year's freshman team will be first string varsity. Is there anyone that disagrees? There will be a big name orchestra here on campus before long.

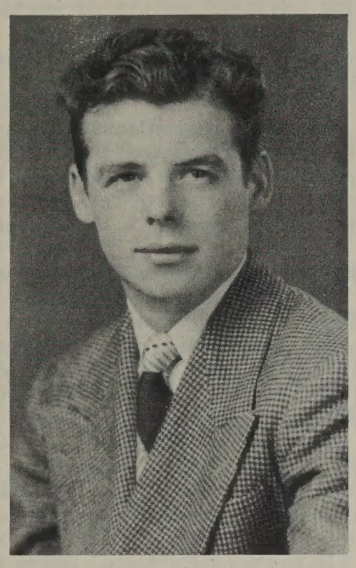
McNamara Speaks At Regional Congress of CCD

Mr. Thomas McNamara, past president of the New England Region of the National Federation of Catholic College Students, was one of the lay-speakers at the Second Regional Congress of the Confraternity of Christian Doctrine. The Congress was held under the patronage of the Archbishop and Bishops of the Province of Boston at the invitation of The Most Reverend Matthew F. Brady, D.D., Bishop of Manchester.



TOM McNAMARA

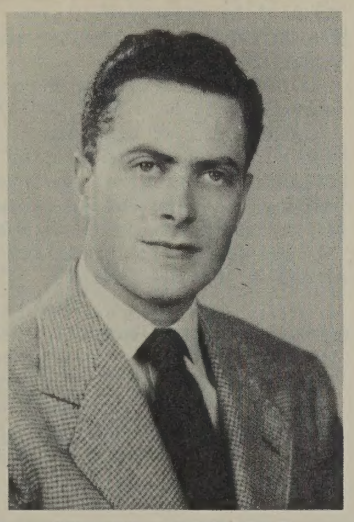
McNamara, a graduate of St. Michael's College in June, 1948, spoke on " The Importance of an Informed Laity."

The Rev. George R. Kilcoyne '34, Director of the Diocesan Labor Institute, Manchester, was Chairman of the panel on " Religious Discussion Clubs."

Other St. Michael's College Alumni who played a prominent part in the success of the Congress were the Rev. Harold C. Barrett All Saints Church, Richford, Vt., who spoke on " The Religious Vacation School;" and Rev. William A. Tennien, Diocesan Director of C.C.D., Burlington, Vt. Father Tennien led the discussion on " Demonstration of Religious Discussion Clubs in Action."

Leads NFCCS Relief Drive

Further honor has been bestowed on the student body of St. Michael's College by the Catholic Colleges of New England. Francis E. Merrigan of the class of '50 has been named to head the European Relief Campaign among the 17 colleges of the New England Region affiliated with the National Federation of Catholic College Students.



FRANK MERRIGAN

Merrigan, a graduate of St. Joseph's High School in North Adams, Mass., and a veteran of World War 11, has served one year as NFCCS delegate. He was a prominent member of the St. Michael's Student Relief Campaign in his Sophomore year.

Another undergraduate, Clem Ferris '50 of Pittsfield, Mass., is Regional Treasurer of NFCCS. He is the second Michaelman to serve on the New England Executive Board. His predecessor, on the Board, Mr. Thomas McNamara '48, was Regional President.

John Merrigan '51, brother of Francis, has been chosen campus chairman of student relief for 1948 - 1949.

Boston Chapter To Meet Each Month

The Boston Chapter of the Alumni Association held its first meeting of the 1948-49 season at the Fox and Hounds Club, 448 Beacon St., Boston. The meeting was attended by 18 members ranging from such old timers as Pat Hardy '14 and Al Heffernan, to the recent graduates doing further study in Boston.

The purpose of the meeting, with Fred Boudreau '31, presiding was to discuss and formulate plans and activities for the coming year. The members present voted to hold monthly meetings on the first Tuesday of the month and to have the chair appoint a rotating program committee to develop and present suitable entertainment.

The Committee appointed to prepare for the next meeting on the first Tuesday in December are William Bransfield '48, Tom McNamara '48, and Raymond Salmon.

A special request to all Alumni. Will you be kind enough to remember Father Cheray, SSE and Father Petty, SSE in your prayers?

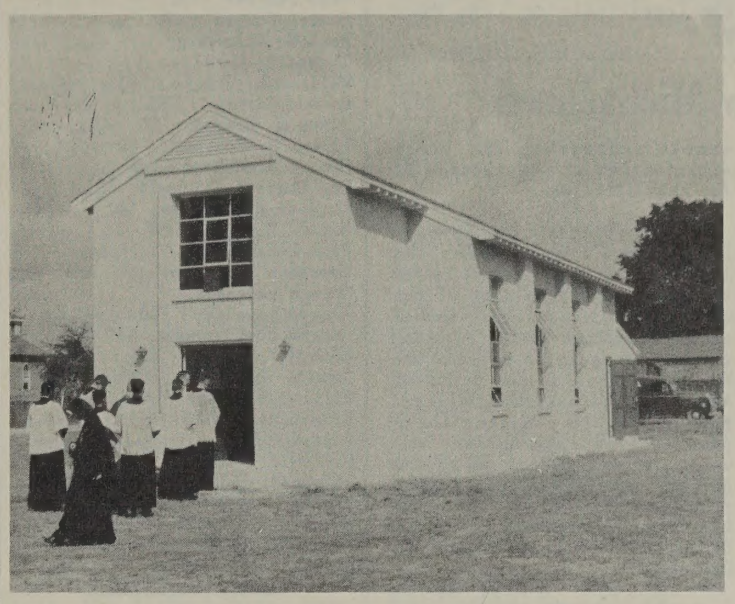
At this writing Father Cheray is confined at the Eye, Ear, Nose and Throat Hospital in Boston. He would appreciate a visit from any Boston Alumni.

Father Petty is a patient at the Bishop de Goesbriand Hospital in Burlington.

CONGRATULATIONS

Congratulations to Robert O'Brien, '42, who is the proud father of a daughter. The O'Briens live in Winooski.

Edmundite Fathers Open New Church At Fowl River



Very Reverend Jeremiah T. Purtill, Superior General of the Fathers of St. Edmund blessing the exterior of St. Margaret's Church. He is accompanied by His Excellency the Most Reverend Thomas J. Toolen, Bishop of Mobile, Father Joseph P. Walsh, pastor and Fathers Anthony T. Larkin and Francis A. Donnellan of the Fathers of St. Edmund. To the right rear of the church can be seen the old army tar paper barrack used previously.

His Excellency, Most Reverend Thomas J. Toolen, Bishop of Mobile, was the principal speaker at the dedication of St. Margaret's Church in Fowl River, Ala. Very Reverend Jeremiah T. Purtill, Superior General of the Fathers of St. Edmund, officiated at the dedication.

St. Margaret's Church is located approximately 20 miles south of Mobile, a short distance from Fowl River which empties into the bay. St. Margaret's Church is another one of the mission stations of the Fathers of St. Edmund. Father Joseph Patrick Walsh is the pastor.

Bishop Toolen in his dedicatory address advised the colored that here was another church, St. Margaret's built for the services of God and His children. The Bishop also congratulated the Fathers of St. Edmund and praised them for the work they are doing in the Diocese of Mobile. He further advised that the work of the church could not be accomplished over night. The co-operation of the people was necessary both in bringing souls to God and for a better community here.

THE HISTORY of St. Margaret's Church at Fowl River, Ala., goes back approximately six years ago. St. Margaret's was originally taken care of by one of the priests stationed at the Mon Luis Mission. No church of any kind existed at that time. A trailer chapel was first used to celebrate the Mass. Gradually a one-room building was used and many times the front porch of one of the colored served as a protection while Mass was being said. The history of the building involved at the Fowl River Mission began with a one-room shack. Gradually larger quarters were used in a two-room building, then a small five-room house was converted to be used both as a rectory and chapel. Following the war an Army type tar paper barracks was used both as a chapel and an instruction center. This small barracks was used until a short time ago when the new St. Margaret's Church was built.

Searching the records we find that Mass was first said in the year 1931. Approximately at the time four colored children were baptized.

St. Margaret's Church at Fowl River, Ala., is another memorial to the many generous friends of the Fathers of St. Edmund. Gifts in order to build St. Margaret's came from all over the United States. One-half of the building cost was donated through the Propagation of the Faith Office.

Rutland Holds Meeting

Following successful alumni meetings in Albany and Burlington, 20 members of the Rutland Chapter met at the Evelyn St. club rooms of the V.F.W. on Wednesday evening, October 27. Mr. Joseph Brislin '28, presently holding the position of field director of C.Y.O. in the Burlington Diocese, was elected president. Other officers elected at the first meeting were:

Vice President - Atty. Joseph O'Neil '32, of Pittsford.
Secretary - Atty. Robert Greene '40, of Rutland.
Recording Secretary - Francis Robillard '43, of Rutland.
Treasurer - William J. Simonds '37, of Rutland.

A nominating committee consisting of the Rev. Edward J. Fitzsimons '33, John H. Curtis '39 and Atty. Joseph Radigan '28 submitted the names of five alumni of the area to form the executive committee of the Rutland Chapter. The following were unanimously chosen members of the executive committee:

Rev. Thomas Connors '31, Thomas Keenan M.D. '42, Julius Lendway '34, John Moore M.D. '40, Walter Moore '42.

Contrary to reports in last month's issue of Alumni News this was not the first organizational meeting of a Rutland Chapter. The chapter had been organized as far back as 1939.

An assembly of the chapter officers and executive committee is planned for the latter part of November at which time a schedule of activities for the year will be drawn up.

BURLINGTON ALUMNI CHAPTER

DINNER - DANCE
DECEMBER 9
PARAGON RESTAURANT

$4.00 per couple

With the approach of the Christmas holiday season, St. Michael's Alumni are busy with plans for the annual festivities. Some of these affairs have been sponsored yearly for the past ten or twelve seasons and are looked upon as one of the social highlights of the season. Alumni Office hasn't yet received detailed information from all the Chapters.

Boston Dance 27th

Richard Borden '50 and Tom McNamara '48, have been named co-chairmen for Boston's Christmas Semi-formal. The event will be held on Monday evening, December 27, at the Hotel Puritan. Because of the fine reception accorded last year's affair, the committee has decided again in favor of a Dinner-Dance. With over 200 students from that area presently enrolled at St. Michael's and with the cooperation of the increasingly active Alumni group, the '48 dance should be the most successful ever sponsored by the Boston Chapter.

Hartford Dance 29th

Connecticut students, spurred on by last year's successful venture, have voted to undertake another Christmas dance. At a meeting of the Nutmeg Club the following student committee was named to submit plans to the group at a later date:

Joseph Briganti '50 - New Britain, Walter Liss '50 - New Britain, Robert McMahon '50 - Middletown, Joseph Amato '52 - Hartford.

Final arrangements have been made. The Hartford Christmas Dance will be held in the Egyptian Room of the Hotel Bond on Wednesday evening, December 29.

It is to be hoped that the Alumni of that area will give this dance their full support.

Springfield Dance 30

Plans are already arranged to make this year's Christmas dance even more elaborate than last year's gala Dinner-Dance. At a business meeting early this month, the Springfield Chapter chose Joseph Connors '43, to be general chairman. Chairman Connors has already announced that the event will be held Thursday night, December 30, at the Hotel Kimball. It will be the annual Dinner-Dance with music furnished by a 12 piece orchestra. The only other information released thus far is that Bill Kelly '48, will head the ticket committee and that Rog Keleher '15 has volunteered to accept the heavy responsibility of providing a program.

This annual Springfield dance is acknowledged by many as the finest Christmas event of its kind. It was heavily attended by the undergraduate Springfield Club a year ago but the Alumni turnout was disappointing. We look for an increased student attendance this year and far much greater cooperation from the Connecticut Valley Alumni.

St. Michael's Returns To Capital District

The " rigor mortis" which set in about a decade ago causing the near death of the Capital District Chapter was finally removed on September 22, 1948. The chief surgeon in charge of operations was Tom Niles '37, ably assisted by John Klim '40. All Alumni everywhere rejoice in the resurrection of this once defunct cell. Albany's return to the Body as a living organ is just one more indication of the

Confused?

There's a monthly " MICHAELMEN" and a student paper called *" The Michaelman."* Alumni Office has had numerous requests about both. Here is an explanation which, it is hoped, will clarify the situation.

The " MICHAELMEN" is an Alumni-sponsored monthly dues-project. Its aim is to build a fund for the Alumni Memorial Chapel by soliciting the payment of $1.00 monthly dues.

" The Michaelman" is the weekly student publication of St. Michael's College. Any Alumnus interested in subscribing regularly to this weekly may do so by contacting the Business Staff of *The Michaelman*. The rates are $2.00 a year.

TOM McNAMARA '48, member of our executive board and past president of the New England Regional NFCCS was invited by His Excellency Mathew F. Brady, D.D. of the diocese of Manchester to address an assembly of high school and college students at the Second Regional Congress of the Confraternity of Christian Doctrine. The Congress took place at Manchester on November 5, 6, and 7. Our congratulations to Tom for the honor conferred upon him personally and our appreciation to the Bishop of Manchester for this added honor conferred upon St. Michael's College.

The Secretary's Corner

We had previously announced a plan to have a gradual development in the Alumni News. The first step was the introduction last year of a two page insert into the regular edition of the student publication. Because of the great accumulation of news since the Reunion, the staff increased the insert to four pages in the first edition of this year. You are now being presented with the first edition of Alumni News as a separate publication. This, it is hoped, will continue until such time as we are able to publish regularly an attractive Alumni magazine worthy of St. Michael's and her Alumni. Please realize that even such a modest publication as the present one can become a burden without your cooperation. If we are to give the Alumni members news about the Alumni, we must first be informed. Chapter officers can help by sending advanced notice of meetings, activities etc., and a follow-up, detailed account of the same. The individual alumnus, too, can do his share by addressing an occasional note to the campus office.

A Brief Report

The principal discussion at the last two annual business sessions has centered around the need for extension of our organizational set-up. Many have insisted that we should attempt to organize new chapters. For that reason we present this brief report to the members.

Existing Chapters

BOSTON - Still organized and active.

The chapter held a meeting recently at the Fox & Hounds Club to elect officers and to plan the activities for the year. The details of that meeting as reported by Mr. James Dillon to this office is carried elsewhere in this paper.

CONNECTICUT VALLEY CHAPTER - One of the oldest and largest Alumni Chapters.

The last meeting occurred Tuesday evening, October 26, in Springfield, Mass. Governed by a temporary board of officers, the Chapter was to elect permanent officers and choose a committee for the Christmas dance. Springfield has traditionally sponsored a very popular first-class holiday dance.

Up to this date Alumni Office has received no official report on the October 26th meeting.

GREATER NEW YORK - A special word of commendation on behalf of this group.

Seriously impeded by the distance which members must travel, the New York Chapter has manifested a genuine enthusiasm for St. Michael's and her Alumni Association.

Besides regular business-sessions, a holiday dance and a communion breakfast, the chapter has introduced the practice of an annual alumni retreat. Thus far the number attending the retreats hasn't been large but those who have made a week-end retreat are sufficiently sold on the idea to keep it on the yearly agenda.

New Chapters

ALBANY - Once an active chapter the Albany group reorganized at a meeting September 22. Another meeting is slated for November 17, at which time a schedule of events for 1948 - '49 will be presented.

BURLINGTON - A new chapter which held its first meeting September 24.

An indication of how strong this chapter can be is evidenced by the fact that 70 were present at the first meeting.

The officers of the chapter met a week ago, but there has been no report of the meeting to Alumni Office.

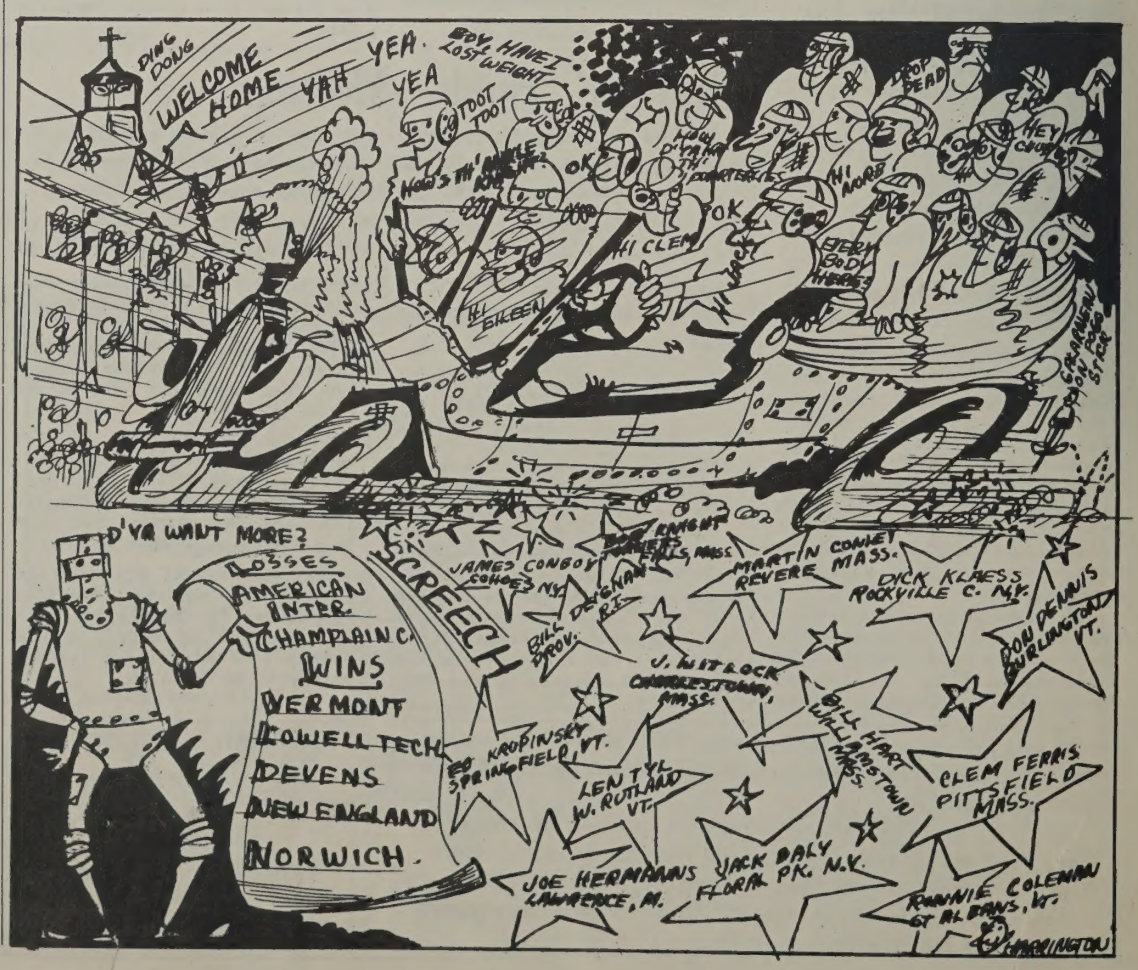
RUTLAND - Reorganized on October 27, the chapter now has a board of officers and an executive committee. An account of the meeting of the 27th is found in this publication.

Plans are now underway for a meeting of officers and committee in the near future.

Status Unknown

BERKSHIRE COUNTY (MASS.) and **HARTFORD** - Because of the large student group from these areas, the need for an organized Alumni Chapter is great.

These are the two remaining groups we would like to see organized before the next Alumni Reunion. What do you say Alumni of the Berkshires and Hartford?



PURPLE KNIGHTS CLOSE SUCCESSFUL SEASON

Purple Knights Win Record 5 and 2

Tony Cauley

In the last edition of the Alumni News we covered the three games played up until that date for the benefit of the far flung Michaelmen who didn't have a chance to either see or read about the exploits of our gridsters. We reported the Vermont, Champlain and Lowell games, and in this one we will bring our grads completely up to date, including the final game.

We closed off last time with the firm hope that the Knights would progress through a good and successful season. Well, the final tabulations are in and a quick look at the final record, in the light of the obstacles that had to be faced, shows that the St. Michael's grid squad did plenty all right for themselves.

SMC 6 - DEVENS 0

The very same Saturday that the last alumni issue rolled off the press, the Knights entertained the Devens branch of the University of Massachusetts in the first night game to be played in collegiate circles in Rutland, Vermont. The game itself was a knock-em-down-and-drag-em-out affair, with both sides participating in the general mayhem. The only touchdown of the night resulted from a neatly executed pass from quarterback Ernie DeSpirito to right-half Marty Conley. The play started from the Devens 19, and saw the trigger armed DeSpirito run halfway across the field while Conley was in the process of shaking two defenders.

Once he got behind them, DeSpirito let it go and Conley gathered it in and at the same time, crossed the goal line. The point after was missed but six points was all the Knights needed to sew up the contest. This game marked the third time during the season's play that the opposition was held scoreless.

KNIGHTS FLY HIGH

The following Saturday, October 23, the high flying Knights travelled to Concord, N.H., to engage the Pilgrims of New England College. When the smoke had cleared and the Pilgrims had picked themselves off the ground, the score was found to be St. Mike's 54 - New England 0. Yes siree, the boys in purple really had themselves a picnic over there scoring a grand total of nine times, but failing, however, to convert once.

The first quarter wasn't two minutes old when Ed Krupinsky fired a 17 yard pass to Bob Knight to put the ball on the Pilgrim 5, from where Jack Daly swept around his own right end for the Mikemen's first tally.

It was in the second quarter that the "Jackrabbit" ran wild. On the second play of that stanza, the Floral Park, L.I., product shot up the middle for 75 yards and the Knights third score. Then just before the half ended, Daly took a neat hand-off from Krupinsky, and tore 14 yards to pay-dirt. And that's the way it went all afternoon. Those who also figured into the Knights scoring plan were Don Dennis, Ed Krupinsky, Ronnie Coleman, Ray Borzelleca, Len Tyl and Bill Deigan.

HEART BREAKER

A week after the Knights stomped New England, October 30, they lost a heartbreaker to American International College 6 - 0, at Centennial Field in Burlington. Maybe it was a let-down after the field-day enjoyed the week previous, or maybe it was just the combination of a couple of bad breaks, but whatever happened, it spelled defeat for the Mikemen for the second and last time all season.

The Knights ran and passed themselves to a total of 175 yards that day. If it had been 175½ yards it would have been a wonderful afternoon for the Purple and Gold. With first down and ½ yard to go for a touchdown, the Knights lost 26½ yards on three plays before Ballas recovered a fumble for the Aces.

Taking over on their own 27, AIC broke the hearts of the Michaelmen, both on and off the field, by marching 73 yards in nine plays to register the afternoon's only score.

Jack Daly again stood out in this game, and a victory would have been a personal tribute to this little guy with all those guts. It was Jack who slashed through the Aces line time and again, and therefore the little guy was bottled up all afternoon. Late in the third period Krupinsky hit Daly with a beautiful 30 yard pass. Jack had a clear field ahead until he ricocheted off the field judge and into the arms of the Aces' Jack Bills on the AIC 28. The man with the whistle did what no Ace could have possibly done: stopped Daly.

FINAL VICTORY

After an open date on the Nov. 6, the Knights took off for Northfield to tangle with the Cadets from Norwich University in a Green Mountain Conference game. The day was dark, dreary and the field was sloppy and wet. Despite these unfavorable conditions, St. Mike's scored three times through the air to defeat the Cadets 19-0. Late in the third quarter, Krupinsky tossed the first scoring pass to John Suzio, who captured the old apple on the 6, and plowed across with two defenders on his back. Krupinsky also figured in the second tally, when he caught a 30 yard heave from All-State, Jack Daly.

In the game's waning minutes, Marty Conley, the stocky halfback from Revere, Mass., threw a 7 yard pass to end John Wojciechowski for the final six points of the afternoon.

That's that for another season. The record stands with five in the win column, and two in the lost. But before we close, three loud hurrahs and sincere appreciation to Coaches "Doc" Jacobs, Bill Piscione and the entire squad.

Frosh Finish Season Record, 3, 1, 1

For the second time in as many seasons St. Mike's Frosh eleven was edged out by Middlebury in the race for recognition as the state's top yearling squad, however, Coach Barry Branon's team had the satisfaction of winning their objective game when they trimmed the supposedly strong UVM Kittens 28-0.

Paced by their brilliant backfield of Coggio, Plourde, Lucius, and Simas the Squires outscored their opponents 114-47 while compiling a three win, one tie, one loss record.

Probably the biggest item in the Frosh's success was their line which presented a defense which was a mixture of steel and cement. In the Norwich game Joannides, Whelen, Shea and Co. permitted the Maroon backs a net ground gain of minus seventeen yards.

Lacking a home field the Squires were forced to play all their tilts before hostile crowds after long bus trips, a factor which probably handicapped them especially in the early games.

CLARKSON 21-14

Opening their season Oct. 10, at Malone, N.Y., the Squires turned back the Clarkson Frosh 21-14. Only a series of penalties and fumbles kept Branon's team from turning the contest into a rout. Two Vermont boys, Bennington's Leo Plourde and Springfield's Ralph Lucius tallied the Squires' first two T.D.'s on line bucks, then in the third period with the score tied at 14 all Frank Simas of Somerville, Mass., sewed it up for the Squires. Little Art Coggio of Everett, Mass., drop kicked the points after all three touchdowns.

WILLIAMS 13-13

The William's game a week later was a different story. Only alert play by Johnny "Pro" Provenzano who recovered a William's fumble in the final minutes of the fourth period prevented the Ephmen from scoring and enabled the Mikemen to protect their 13-13 tie. Both of the Squires' touchdowns were scored by Plourde after Simas had passed down near TD territory. In brief that was the story of the Squires' offense all season. Simas skirted the ends and opened up the middle with his passes then Plourde went through the center. Lucius, a swift and shifty broken field man, was hampered during much of the season by a succession of injuries.

MIDDLEBURY 20-13

The Squires without Simas were like a gun without powder, that is probably the best summary of their 20-13 defeat at the hands of Middlebury. Minus Simas, the man who varied their offense and made it click, the Squires couldn't cope with the powerful Panther Frosh who for the second year in succession emerged as the state's freshman champs. Outstanding in defeat for the Squires was their rugged center Phil Joannides who managed to have a hand in roughly 50 percent of the Squires' tackles.

Rebounding from their defeat at Middlebury the Squires exhibited their best form of the year as they took UVM and Norwich apart on successive weekends.

UVM 28-0

The UVM tilt was the closest thing to a home game the Squires played all season as seven hundred Mikemen trekked over to Centennial Field to watch the game. Quarterback Coggio really shone in this one. Besides tallying once himself on a 38 yard run with an intercepted pass and drop kicking two points after, little Art kept the Kittens in trouble all day with his coffin corner punts.

Plourde scored the Squires' first two TD's early in the second period. First Pete hit pay dirt on a buck from a yard out and then when Dick Crombie recovered a Vermont fumble two minutes later Lucius brought the ball down to the 14 and Pete took it the rest of the way.

The Squires picked up another two points in the third period when Vermont's Bob MacDonald was nailed in the end zone for a safety.

Then just at the start of the final period Simas pitched a 32 yard aerial to Ray Cormier who carried it the rest of the way to make the score 22-0. Four plays later Coggio tallied on an interception to end the scoring for the day.

NORWICH 39-0

With Plourde, Lucius and Simas all running wild the Squires' final tilt of the season was an overwhelming 39-0 victory over the Norwich frosh. Lucius and Plourde tallied twice apiece and Simas and John Yurasits once as the Squires ran away from the Maroon. The game's most spectacular play was Plourde's 47 yard scoring jaunt in the third period. With no interference at all Pete drove right through the Norwich secondary as at least five Norwich tacklers tried unsuccessfully to stop the driving Bennington lad.

As usual the freshman line was slightly terrific, holding the "Mountaineers" to a loss of 17 yards on the ground and opening wide holes for the backfield.

The whole team gave a performance which bodes no good for the varsity's opponents next fall.

Borgmann Reported Friday, Practice Began Saturday

The newly appointed head coach of basketball at St. Michael's College, Bennie Borgmann, reported on campus Friday, November 12, to begin workouts for the approaching court season. The new coach greeted about 30 candidates made up mostly of hold-overs from last year's Varsity club and most of the powerful '47 freshman squad.

A former member of the world champion Original Celtics, Borgmann is ranked with men like Nat Holman, Johnny Beckman, Joe Lapcick and Chris Leonard in the court game.

Borgmann, whose appointment was announced by George "Doc" Jacobs, director of athletics, boasts 25 years of professional basketball with such clubs as the Paterson Crescents, Fort Wayne Hoosiers, Chicago Bears, New York Celtics, Kingston Colonels, Philadelphia K of C., and Rochester, Cohoes and Glens Falls in the New York State League.

Borgmann comes from Hawthorn, N.J., but has lived in and about Paterson most of the time.

For the past 15 years, Borgmann has been affiliated with the St. Louis Cardinals baseball organization in various capacities, manager, scout and all-around trouble shooter. He once managed the Syracuse Chiefs of the International League.

During the war, Borgmann was recreation director for the 15,000 employes of the Curtiss-Propellor plant at Clifton and Caldwell, N.J. He was also president of the New Jersey Industrial Recreation Association during that period.

In basketball he has coached and managed Paterson of the American League, 1944-45, and Syracuse in the National League, 1946-47.

Diz Dean Returns High Scorer '48

The Purple Knights of St. Michael's College once more return to the polished surface but this year under the coaching of Bennie Borgmann.

Returning to the varsity is John "Diz" Dean, '50, from Holyoke, Mass., the high scorer of the Vermont Conference last year.

Dean played steady ball throughout the 1947-48 season and is expected to be a big help for Borgmann when the season opens December 2 with Champlain. Dean was top man when the scoring honors were past out last year with 218 points.

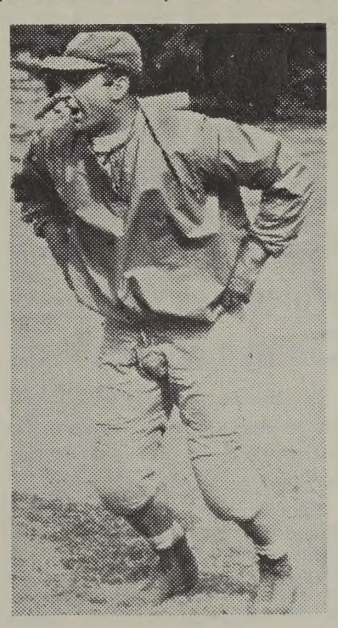
Dean took part in all the varsity games last year in basketball and baseball. On the diamond Dean spends his time around first base.

Dean is a graduate of Holyoke High where he excelled in basketball and baseball.

HOCKEY NOW IN SPORTLIGHT

St. Michael's College, after a lapse of two years, will bring hockey into the winter sport schedule under the coaching of Bill Piscione. The rink will be located on the new athletic field.

The athletic field will be inaugurated this winter when the ice is hard and the air is right for the second fastest game in the world, hockey. Coach Piscione will start conditioning possible hockey material following the Thanksgiving vacation.



Coach Bill Piscione

The last varsity hockey team representing St. Michael's was one of the poorest in the history of the college, dropping five games and tying only one. The team, without practice or rink at the college, tried to make a fair showing but the opposition was too tough.

The Purple Knights of hockey this year will be made up of members of the Winooski Park Collegiates, Vermont, 1947-'48, State Amateur title holders. The Collegiates met and defeated strong Canadian opposition as well as the major Vermont teams. Winning ten games and dropping two was their record. The Collegiates was an informal team made up of St. Michael's College students.

Leo Denault, right winger, and Jerry Healy, former center now spending his time in the goal, are the only members of the 1946-'47 team left on campus. The Collegiates have eight men to try for positions on the college team.

The boards for the new hockey rink are being built by the college carpenters and will be erected some time next week. The boards will be four feet high, high for a rink but Piscione has a method in his madness. The rink will be located directly behind St. Patrick's Hall in the outer gardens of the new baseball field.

Jean Paul Vereneau will divide his time between managing and training the hockey team this year. Vereneau was manager, coach and trainer of the Collegiates last season.

Freshmen will not have a hockey team and will not take part in the varsity sport obeying a National College rule.

Returning from the Collegiates will be the fast Frosh line of Jack Conway, Jack O'Brien and Jim Feloney, and John Paul Trotier, Frank Young, and Jim Whitlock able defensemen and Roy Howland utility.

The hockey schedule:
Vermont, Middlebury, Norwich, Paul Smith, Vermont, Middlebury Norwich, Clarkson, Devens, and St. Lawrence.

New York Chapter Retreat In October

President Joe Berardino '43, of the New York Chapter writes of that group's second Annual Retreat. Five alumni of the area spent the week-end of prayer at the Bishop Malloy Retreat House at 178 Wexford Terrace during the week-end of October 15-17.

An excerpt from Joe's letter follows:

------ "First of all the retreat was a success - spiritually anyway. The alumni didn't turn out in numbers but those of us who did show up were well pleased with the affair. We came away with the feeling that we had gained quite a bit and were more or less sorry for those who didn't or couldn't show up."

FATHER JIM PETTY SSE visited us while preaching a mission with FATHER McCUE, SSE, at Christ the King parish. He previously preached in New Haven, Conn., and while there had a phone call from DOC THABAULT. Tells us that Dr. George Bonner is there, which, with Doctors Thabault, Nearly, and Allen, makes quite a St. Michael's delegation. How about sending us your address Gabby - we've lost track of you since you left Togus.

We were happy to receive a card from FRED DIRMAIER with all the information as to his comings and goings. Here it is: "Have finally become settled in Basel, Switzerland, after a wonderful crossing on the Queen Mary and three delightful days in Paris. Am very happy here with fine living conditions, a beautiful University with excellent courses and daily improvement in German. Here's our church; though this card is a rather poor photo, yet you can see it can easily compare favorably to St. Mark's in Burlington. Expect to meet "Dink" Pelletier in Bern Saturday; he's at Lausanne University for the year. Please give my sincerest regards to all the old O H 111 group." Thanks a lot, Fred - keep writing please. For those who may want to write to Fred his address is: c/o American Consul, Postlagernd, Basel 3, Switzerland.

BLANCHE YURKA RETURNS HERE

Blanche Yurka

Blanche Yurka, one of the stage's most distinguished stars, will return to St. Michael's College on Dec. 4. Under the auspices of the Pen and Mike Club which handles the Vermont Catholic Information Program, Miss Yurka will give her "One Woman Theater," a series of sketches from the world's greatest plays.

Miss Yurka who opened the St. Michael's College Playhouse this past summer in "The Silver Cord," was given such a warm reception here that the Pen and Mike Club asked her to return. The proceeds will be used to help furnish the club's studio. The program is at 8:30 in Austin Hall.

Rev. William Mulligan, club moderator, said that his group was fortunate to get an artist of Miss Yurka's standing. The club, headed by Thomas Kenney of St. Michael's, draws its membership from St. Michael's and Trinity Colleges as well as from the Newman Club at the University of Vermont.

Gerard Bombardier of St. Michael's College is general chairman.

Fred Dirmaier, c/o American Consul, Postlagervd Basel 3, Switzerland.

Home-coming Day Welcomes Alumni Clergymen To SMC

St. Michael's College on Thursday held its first Homecoming day for the alumni priests of the Burlington diocese.

The Very Rev. Daniel P. Lyons, SSE, college president, welcomed the diocesan priests, more than 80 per cent of whom received part of their college education at St. Michael's.

The program included dinner at 1:30; a brief speaking program by three noted alumni; an entertainment program; campus sightseeing; and a glimpse of varsity basketball practice under Bennie Borgmann.

On the speaking program were Rt. Rev. Msgr. Patrick C. Brennan of Burlington, vicar general of the diocese and ranking Michaelman among the diocesan clergy; Rev. Patrick A. Nolan, pastor of St. Mary's in Springfield, and one of the first three graduates in 1911; and Rev. Edward Gelineau, of Winooski, a former member of the college faculty.

A special guest was the Very Rev. Jeremiah T. Purtill, superior general of the society of St. Edmund and first graduate of the college to hold that post.

The college glee club, Dr. Richard Stoehr, pianist, and Prof. John Donoghue, baritone, entertained.

Father Lyons said the day had been inaugurated to keep the alumni priests up to date on changes at the college, and to voice the appreciation of the college for their cooperation.

increasing strength and vitality of YOUR Alumni Association.

Bob Conover '40, recently elected secretary of the revitalized Albany Chapter, has forwarded the minutes of the first meeting. We're happy to present them verbatim below for your information and edification. It is to be hoped that our other Chapter secretaries will render a similar service on the occasion of each meeting.

MINUTES

The reorganization of the Capital District Chapter was held in Albany, N.Y., September 22, 1948, at a dinner meeting in the Madison Tavern. Twenty-one Alumni were present in addition to the Rev. Francis Moriarty, SSE, National Secretary, and Mr. Frank Stewart, Burlington, Vt., National President.

The program was the result of the initiative of Thomas Niles and was carried out with the assistance of John Klim who made the dinner and meeting place arrangements.

After the dinner Mr. Niles, as chairman, appointed temporary committees to carry on until the formal election of officers was held. The following committees were appointed:

CHARTER COMMITTEE: Thomas F. Tracy '36, John D. Allardice '36, co-chairmen; George Grebert '40, J. Barron Clancy '40, Rev. Henry G. Tessier '28, William Arnold '39, John O'Connor '39, George Oliver '25.

NOMINATING COMMITTEE: Joseph B. Burke, chairman '37, John Klim '40, James Herbert '40, James Britt '33, Michael LaFrank '42, John Garry '20.

ARRANGEMENTS COMMITTEE: Karl Klein, chairman '38, Frank Byron '37, James LaFrank '37, Anthony Alvaro '39, Rev. John Caldera '43.

TEMPORARY CHAIRMAN: Thomas Niles '37.

TEMPORARY SECRETARY: Robert J. Conover '40.

TEMPORARY TREASURER: William Moore '30.

Upon the motion of John Klim and seconded by Karl Klein, the Nominating Committee was directed to retire immediately and select two slates of officers to be presented for election the same night. The motion was carried.

During the discussion that followed, Mr. Niles declared himself ineligible for nomination by reason of his membership in the alumni advisory committee. After deliberation, the Nominating Committee returned and presented the following slates:

1ST SLATE: President: Tom Tracy, Albany, '36; Vice-President: Rev. Maxime Sarrault, Schenectady, '12; Secretary: Robert J. Conover, Amsterdam, Treasurer: John F. Klim, Albany.

2ND SLATE: President; James LaFrank, Albany, Vice-President; Rev. Charles Tessier, Albany, Secretary; George Grebert, Albany, Treasurer; George Oliver, Hudson.

Upon the motion of George Oliver, seconded by Father Tessier, the first slate was accepted and the officers unanimously elected.

During the deliberations of the Nominating Committee, a copy of the charter of the New York Chapter was presented to Thomas Tracy and John Allardice, as chairmen of the Charter Committee, for their study. They were directed to present, at the next meeting, their recommendation for a charter.

The next meeting was scheduled for November 17.

Regional NFCCS Sets Congress Theme, Dates

The first Regional NFCCS Council meeting of the year, at St. Joseph's College, agreed that the Regional Congress would be held in Boston. The dates are April 29, 30, and May 1.

The theme will be "The College Student in the Student Community."

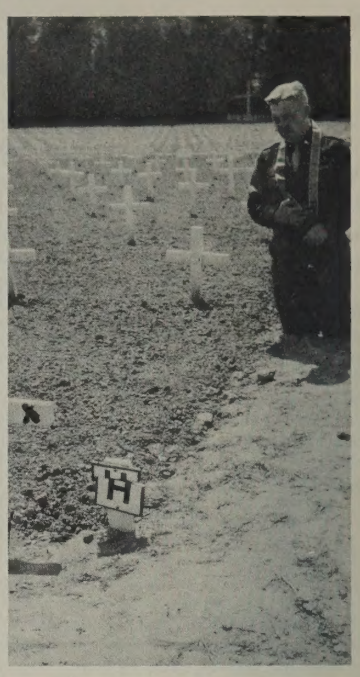
Roman Vestments Given To College



Two beautiful sets of Roman vestments have been donated to St. Michael's College by the Rev. Walter McNamara of Washington, D.C., in memory of Serft John Cashman of Westfield, Mass., class of 1931.

Father McNamara, former national president of the St. Michael's College alumni association, was at college while Johnny Cashman was a student and crack athlete.

Cashman who was killed in action Jan. 10, 1945, in Belgium was buried in the military cemetery at Hamm, Luxembourg.

Father McNamara who served as a chaplain with the 15th army visited the grave. He also attended the recent burial of Sgt. Cashman's body in St. Mary's cemetery at Westfield, Mass. Rev. Laurence Boucher also attended.

Father Lyons said that the college appreciated the gift of the vestments which will be used by the order now and later when the new memorial chapel is built.

KNIGHTS CLOSE SUCCESSFUL SEASON, 19-0

Tony Cauley

Last Saturday spelled finis to another year of football here in the Green Mountain State. While many of the football bigs throughout the country have two or three games left to be played, the four colleges that make up the Collegiate Conference in Vermont have hung up their cleats for another year. Middlebury, often nominated for state title, squeezed by their arch-rival, Vermont, 13-12, while our gridsters rolled merrily on their way by thumping Norwich 19-0.

In claiming the state championship, Middlebury seems to forget that we also beat the only teams we met in conference competition. Perhaps they figure they would have beat us had we met on the gridiron. Perhaps they are jumping at conclusions also, because Vermont was a decided favorite before we dumped them 13-2.

It is sincerely hoped that St. Michael's and Middlebury can get together on the gridiron in the years to come, as is the case with our other major sports. Until that time arrives, however, we feel that nobody has the true right to be declared the conference football champs.

PULL TOGETHER

The Norwich game, more than any that the Knights have played this fall, brought home the thought that in our praise of individual players, we tend sometimes to forget that a football team is made up of eleven men, all pulling together. Every man who took part in the Norwich encounter played a bang-up ball game, despite the unfavorable conditions of weather and hostile crowd.

Dick Klaess for instance, comes in for a well deserved pat on the back for his stellar work both on defense and offense. Besides his superb handling of a wet and slippery ball, Dick also intercepted a pass that set up the St. Michael's third touchdown.

Another unsung hero of this year's squad is Jim Whitlock, who was in on at least one-half of the tackles on his side of the line last Saturday. Jim has been a bearcat defense man all year, but his efforts, along with the other linemen, are sometimes sidetracked in favor of a man who made a long run, or caught a touchdown pass, etc.

Not that we are overlooking the backs and ends, but we're merely bringing out the point that eleven men are needed for a successful year, and that is exactly what we had here at St. Mike's this year.

With that we leave football for another year, looking forward to bigger and better seasons to come.

Norwich Victims Of Strong Late Attack

Before a soaked and howling crowd of 2000 fans, St. Michael's rang down the curtain on the 1948 gridiron season by whipping Norwich University last Saturday, on the Mountaineer's home grounds 19-0.

It was St. Mike's second Green Mountain Conference win in as many tries, the Knights having beat Vermont eight weeks ago in the season's opener.

The Knights had a tough time getting started, but once they began to roll, nothing seemed to be able to stop them. Held to only four yards overland in the first period, and not able to do much better in the second, the boys wearing purple took charge at the start of the second half, and from there on ran up the bulk of their 176 yards gained, while scoring three times.

During the last half, the Horsemen found themselves completely on the defensive, as the Knights passed and ran over and around their foe to the enjoyment of the many friends and students of St. Michael's who braved the elements to watch their boys in action.

KNIGHTS BREAK ICE

The Knights broke the ice early in the third period on a pass from Ed Krupinsky to John Suzio, that traveled 28 yards. The ball was intended for Bob Knight, but the Mountaineer's John Magnino came out of nowhere to deflect it.

Magnino however batted the pigskin upwards, and it stayed in the stratosphere just long enough for Suzio to nail it, and plow across the goal-line.

Dick West, the Knights new placekicker, entered the game at this point and put the ball squarely through the uprights for the Winooski Parkers' seventh point.

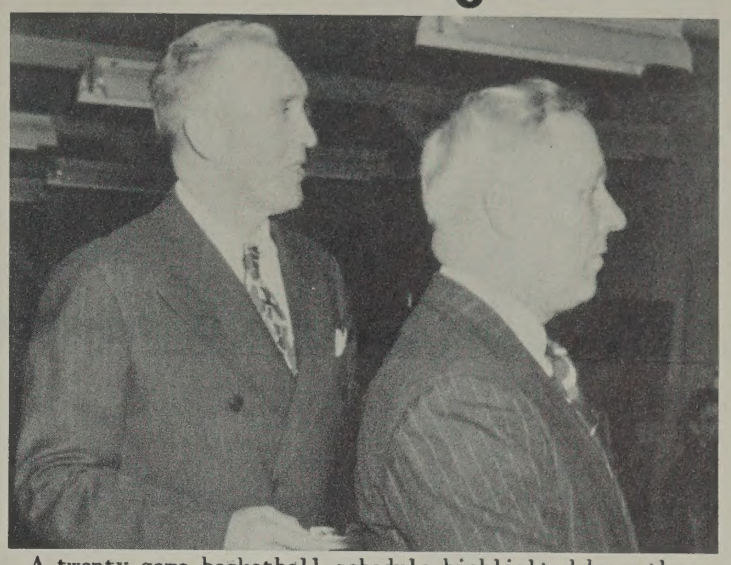
At the start of the fourth quarter, the Knights got a break, and cashed in with a touchdown soon after. The Norwich safety man dropped a Ronnie Coleman punt and like a cat, Joe Hermans pounced on the loose pellet, making it first and ten on the Norwich 30.

After the Knights bulled their way to a first down on the defenders' 20, Jack Daly rifled a pass to Ed Krupinsky, who was perched in the end-zone. West failed to convert, but nevertheless, the Knights still had a comfortable 13-0 lead.

BIG JOHN

The third and last TD was rung up by big John Wojciechowski, on a pass from Marty Conley. Dick Klaess set up the score by intercepting a Norwich pass on the Horsemen's 37. Billy Hart and Conley alternated in carrying the ball to the seven, from where Marty tossed to the big end for the final tally.

Jacobs Releases B'Ball Schedule For Borgmann



A twenty game basketball schedule highlighted by a three day trip to New York City and a February appearance in the Boston Arena was announced today by George " Doc" Jacobs, athletic director here on the Hilltop.

The Purple Knights, under Coach Bennie Borgmann will open their season at home on Thursday, December 2, when they will meet the Champlain College quintet at the Burlington Memorial Auditorium. All home games will be played at the Auditorium this season.

On their New York City trip, the Knights will play two newcomers to the schedule, Hofstra, of Hempstead, Long Island and St. Peter's of Jersey City. Both of these schools have come along fast in athletics since the war so they should provide rugged opposition for the Hilltoppers come December.

EAGLES AT BOSTON

The big game of the season, of course, will be the Boston College game at the Boston Arena. The Eagles had the best frosh team in New England last season in the opinion of many Boston sportswriters, so this year's varsity is loaded with material. A win for the Knights in this one would go a long way in establishing St. Michael's as a power in New England basketball. The schedule:

DEC. 2, Champlain, home; DEC. 9, New England, home; DEC. 16, Lowell Textile, home; DEC. 20, Hofstra (Hempstead, L.I.) away; DEC. 21, pending, away; DEC. 22, St. Peter's (Jersey City) away.

JAN. 7, Champlain, away; JAN. 12, Vermont, away; JAN. 15, Middlebury, away; JAN. 22, Amherst, away; JAN. 29, Norwich, away; FEB. 12, St. Anselms away; FEB. 18, New Hampshire, away; FEB. 19, American International College, away; FEB. 26, Boston College, away (Boston Arena).

MARCH 2, Williams, away; MAR. 3, Middlebury, home; MAR. 7, Vermont, home.

St. William's Noses St. John's For Title

By RAY HOWLAND

A pass from Ed Markey to Jack McCarte in the final minute of play gave St. Williams a hard fought 6 to 0 victory over St. John's second floor in the intramural championships last week.

The score was set up in the final minutes when Markey intercepted a pass thrown by Art Coughlin and ran it back to about the St. John's 20. On the following play Markey hit O'Doherty with a five yard pass, and from there Markey chucked to Jack McCarte for the T.D.

Most of this hard fought game was played around midfield with neither team being able to get within their opponent's 15 yard stripe.

Outstanding for the victors were McCarte, Young, Yannalfo, Potvin, and Mahoney on the line; plus Markey and O'Doherty in the backfield.

For the losers Cronin, MacMullen and Chiocco stood out on the forward wall, while Cosby, Coughlin and Allen paced the backs.

St. Williams (6) - Linemen: Young, Mahoney, Yannalfo, McCarte, Potvin.
Backs:
O'Doherty, Markey, Ricketson.
Subs:
Nardi, Pekarski, Carpino.
Head Manager and scout:
" Horace" Rachel.

St. Johns " B" (0) - Linemen: Cronin, MacMullen, Cavanaugh, Burke, McDermott.
Backs:
Cosby, Allen, Coughlin.
Subs:
Maloney, Chiocco.

Bennie Borgmann Honored Local Scribes At Dinner

Amidst the fog of cigarette and cigar smoke and the fragrant smell of lobster, last Friday evening in the College dining hall, could be found the new basketball coach Bennie Borgmann.

Local scribes and radio commentators were the invited guests of George " Doc" Jacobs, moderator of athletics, Fr. John Stankiewicz, SSE, in the college dining hall to a lobster dinner prepared by Bill Hanlon, new steward in the dining hall, for Bennie Borgmann, member of the Original Celtics.

The gathering was informal. The conversation varied throughout the evening covering sports in general. If Borgmann's coaching ability is anything like his personality, St. Michael's should produce a powerhouse.

Borgmann knows sports. Besides basketball, baseball is his favorite pastime. The new coach spends his summers scouting for the St. Louis Cardinals, runner-ups in the National League to the Boston Braves.

The basketball "professor" has a 22 year old son. Borgmann, the day Junior was born, had pictured him as a great athlete, but "he's 22 now and still likes the opera," his Dad says.

To Borgmann, 185 lbs., Al Spokes is a " midget" weighing only 155. Borgmann has a great sense of humor and can tell stories that make Whitey Killick's look tame.

Borgmann's second love is baseball. He believes that Vermont should have a Class D ball club and be recognized throughout the country as a summer sports country as well as a " winter wonderland."

VERSATILE GUY

If " Doc" Jacobs would umpire in the Class D ball, Bennie Borgmann " would manage a team," and Vermont would have the nucleus of a fine baseball league.

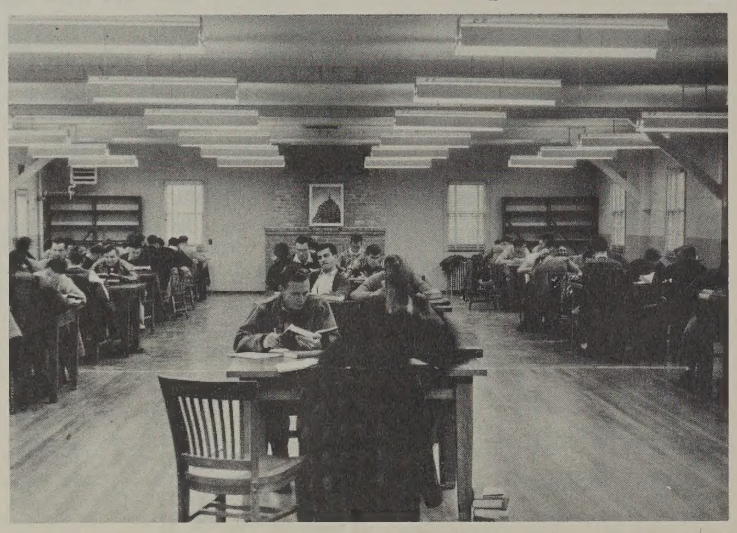
Don Beauchemin and Ray Deforge upholding the affirmative side and Howard Lancour and Tom Flanagan upholding the negative side.

The question debated was: Resolved: That the Federal Government should adopt a Policy of equalizing education in tax supported schools by means of annual grants.

At the coming meeting, Wednesday night, another practice debate will be held, with Don Powers and Frank Regan upholding the affirmative side and Larry LaFountain and Don Fredrick upholding the negative.

All members and non-members are urged to attend the meeting on Wednesday, Nov. 17, at 7:45 in Aquinas Hall 202.

Mont St. Michel's Portrait Dedicated In Library Meeting



With the new oil painting of Mont St. Michel over the Library mantle Michaelmen are taking advantage of a new French atmosphere.

The new oil painting is now hanging in the College Library. The painting by Rita Pfeifer of Mont St. Michel was dedicated by Very Rev. Daniel P. Lyons, Tuesday, and hung over the mantle in the rear of the library.

Rita Pfeifer, sister of Prof. Pfeifer, was commissioned by the College to do an oil painting of Mont St. Michel, one of the former homes in France of the Fathers of St. Edmund who conduct St. Michael's.

Members of the faculty and their wives were present at the dedication ceremonies and celebrated with coffee, sandwiches and doughnuts furnished by the capable steward, Bill Hanlon.

It was from Mont St. Michel that the members of the Society came to this country after France had expropriated all religious property at the turn of the century. They were welcomed in the Burlington diocese and founded St. Michael's College in 1904.

Miss Pfeifer is a graduate from the College of Mount St. Vincent and lectured this past summer at St. Michael's. A member of the Kappa Gamma Pi, Catholic honor society, Miss Pfeifer has taught at Yonkers, N.Y., High School, has lectured at Manhattanville College and has done portrait work. She is the sister of Prof. Edward Pfeifer and Charles Pfeifer, prefect of Aquinas Hall.

Fr. Lyons

Continued from page 1

Very Rev. Daniel P. Lyons, President of St. Michael's, was celebrant while Rev. Vincent Maloney was Deacon and Rev. Gerald Dupont, Sub-deacon. Rev. Raymond Poirier acted as Master of Ceremonies.

Rev. Dr. Lorenzo D'Agostino, Dean of Men, delivered the sermon. The college choir, under Rev. Laurence Boucher and accompanied by organist, William Spear, chanted Pietro Yon's Missa Solemnis.

The stage in Austin Hall was beautifully decorated for the Mass by Fr. Poirier who spent the previous day setting up the altar and arranging the lights, flowers, and vestments for the morning services.

At 10 a reception for the faculty was held in the library at which a buffet breakfast was served and the oil painting of Mont St. Michel was dedicated.

At 11 the students again convened in Austin Hall for the traditional reception for the president. Mario A. Marini, president of the Senior Class and representing the student body, spoke.

Marini, in a prepared speech, strongly urged student participation and support of all school activities. Stating that " the Society of St. Edmund can educate you but cannot develop you." He cited Fr. Cheray as a personification of Michaelman spirit because of his cheerful outlook, numerous active interests, and fine sportsmanship despite serious illness and suffering.

The program was concluded with a brief speech to the students by Fr. Lyons.

At noon the annual President's Day banquet was held in the college dining hall. Consisting of roast turkey, this event was one of the highlights of the day. Due to a lack of seating capacity, the usual procedure as to serving and seating was necessarily followed.

Solemn benediction and prayers to St. Edmund, in the college chapel, concluded the President's Day activities.

New Seal

Continued from page 1

knowledge to suggest the following: " There is a coat of arms of St. Michael, ascribed to him in the Middle Ages, when heraldy was a living art, and used by decorators, architects, etc. I suggest that we use this as a starting point. It consists in a red cross " botonnee" (the arms trifoliated at the extremities) on a silver shield. This could be combined with something suggestive of your locality; e.g. a green mountain."

This suggestion was finally adopted after severla exchanges of letters. The sketch in its final form was received two weeks ago. The new seal which included the coat of arms will replace the old as soon as plates can be made.

The coat of arms consists of a red cross " Bottony" on a silver shield, the symbol of St. Michael in heraldic language. It rises from the usual conventional representation of a mountain, which is green to symbolize Vermont.

In symbolic terms, then, the coat of arms states: " St. Michael's in Vermont."

For the erudite, the heraldic description is: " Argent, from a mount of three coupeaux vert a cross botonny gules."

For those interested in the subject of heraldry Dom Bayne has written an excellent article entitled " Heraldry in the Catholic Church" and published in Liturgical Arts, February, 1944.

The Michaelman sends condolences to John Daneluk, '52, who's father died last Tuesday morning. Daneluk is from Lynn, Mass.
